

HSM Powerline 450.2 - 1/8 x 1 1/2

HSM Powerline 450.2 heavy duty document shredder

Powerful and durable. This heavy duty document shredder provides for data security in archives or central stations for document shredding.

Product information

The high quality materials used together with HSM's proven "Made in Germany" high manufacturing standard ensure that the product is both safe and durable for the user.

The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability.

To enable you to shred documents in a continuous operation mode, the shredder has a powerful motor. This gives not only reliable continuous operation, but also a high level of shredding capacity.

No more frustration with paper jams! Our automatic reverse function reduces paper jams and ensures smooth operation.
