

HSM StoreEx HDS 150 - 19/16

HSM StoreEx HDS 150 digital data media shredder

The HSM StoreEx HDS 150 digital data media shredder destroys digital media devices in a safe and economical way – and is data protection compliant as well.

Product information

The high quality materials used together with HSM's proven "Made in Germany" high manufacturing standard ensure that the product is both safe and durable for the user.

The HSM StoreEx HDS 150 destroys data carriers completely securely and reliably at security level "H-3 security cut". The data carrier of a conventional 3.5 inch hard drive is divided into at least three parts. The level of security is thus many times higher than conventional destruction processes, in which the data carrier is simply deformed in accordance with DIN/ISO/IEC.

The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability!

This powerful machine provides an excellent cutting performance combined with reliable continuous operation at a low noise level.

Technical data

Order number:	1772117	Cutting capacity CD/DVD:	4200 St/h
EAN	4026631057691	Cutting capacity magnetic tapes:	280 St/h
Cutting type:	strip cut	Loading aperture Length x Width x Height:	11.42" x 6.5" x 2.36"
Cutting width:	19/16"	Noise level (idle operation):	ca. 61 dB(A)
Security level (DIN 66399):	E-2 H-3 T-1	Width x Depth x Height:	47.24" x 32.09" x 52.17"
Cutting speed:	4.33 ft/min	Weight:	1177.27 lb
Driving power:	2.01 HP	Colour:	iron grey, light grey
Voltage / Frequency:	120 V / 50 Hz	Shredder material:	Staples and paper clips, Credit card, CD/DVD, Floppy disk, Hard drives up to 3.5", Magnetic tapes up to 3.5"
Intake width:	6.5"		
Container volume / collecting:	10.6 gal		
Cutting capacity HDD up to 3,5":	210 St/h
