# **Product information**

For a consistently high cutting performance, this low maintenance document shredder has an external automatic oiler as an option.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

After opening the door, the reusable collecting bag can be easily removed and emptied.

#### For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

#### **Energy-saving**

In stand-by mode, intelligent control programme EcoSmart ensures there is an exceptionally low power consumption of 0.1 watts.

#### High level of user safety

The safety element prevents unintentional entry of materials into the machine and thereby increases the user safety.

# **Automatic start/stop**

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

# Anti-paper jam function

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

# **Convenient emptying**

Robust wooden cabinet with castors. After opening the door, the reusable collecting bag can be easily removed and emptied.
