For a consistently high cutting performance, this low maintenance document shredder has an external automatic oiler.

HSM®

For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

Energy-saving

The stand-by feature ensures a high degree of energy saving when the shredder is not in use.

High level of user safety

The device automatically switches off if pressure is applied to the safety element.

Anti-paper jam function

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

Mobile on castors

For convenience, there are castors on the document shredder so it is easy to move around.

Convenient emptying

Convenient emptying thanks to the high-quality wooden cabinet with door and pull-out reusable collecting bag.
