### Product information

For a consistently high cutting performance, this low maintenance document shredder has an external automatic oiler as an option.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

For convenience, there are castors on the document shredder so it is easy to move around.

### For continuous operation

The powerful motor ensures a high cutting capacity and reliable continuous operation.

### Energy-saving

In stand-by mode, intelligent control programme EcoSmart ensures there is an exceptionally low power consumption of 0.1 watts.

### High level of user safety

The safety element prevents unintentional entry of materials into the machine and thereby increases the user safety.

### Automatic start/stop

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

### Display bin full

The full bin is indicated via the display and the machine switches off automatically.

### Filling level indication

The filling level of the waste container can be seen at all times through the inspection window.
