

HSM V-Press 860 plus B

With a pressing power of 594 kN and low-noise and energysaving technology, the HSM V-Press 860 plus B is the most economical and ecological solution for your waste disposal.

Technical data

Order number:	6158113	Pressing power:	60 t
Maximum bale weight:	1213 lb	Width x Depth x Height:	82.13 x 61.69 x 117.72 "
Loading aperture (WxH):	59.06 x 25.63 "		

Product Information:

The HSM V-Presses are highly energy efficient thanks to the rapid stroke technology. This saves time and money

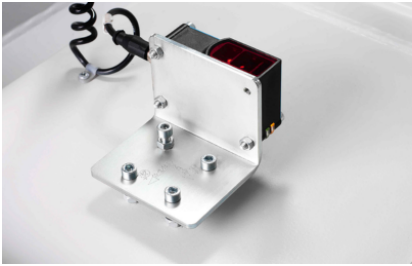

To fill the press, the upper half of the doors is pushed down and automatically opens after the compression process

Hand wheel door lock - Easy to handle thanks to counter-rotating thread for quick opening and closing

Product Information:

HSM TCS (Torsion Control System) for monitoring press ram movement

Automatic start of the pressing process after closing the door

Convenient membrane keypad with text display, which shows the current status of the machine

Suitable for cardboard as well as film

Produces particularly large, high density bales which can be sold with no further compression required

Strapping with wire - optional tape station available for strapping with polyester tape or wire according to requirements
