HSM Pure Document Shredder

for the centralised destruction

The strong document shredder with a 240 litre bin for demanding in-house data destruction. The robust shredder has a powerful cutting unit with a wide feed-in opening for formats up to DIN A3.

For a consistently high cutting performance, this low maintenance document shredder has an external automatic oiler.

HSM Pure 740 max in operation

After opening the door, the collecting bag can be easily removed and emptied.

Alternative waste bin: a mobile 240 litre waste bin, in accordance with DIN EN 840, can be integrated (not included in scope of delivery).

- Solid steel cutting rollers with lifetime warranty.
- Paper feed with overload protection reduces paper jams.
- Low power consumption in stand-by mode.
- The powerful motor ensures a high cutting capacity and reliable continuous operation.
- The device automatically switches off if pressure is applied to the safety element.
- Optimum stability due to glide feet.
- Correct removal and disposal of the cut material using the particle distributor to disperse the waste material evenly.
- High quality wooden cabinet with door and steel reinforced base plate against wear when the waste bin is used.
