HSM Powerline 450.2 - 3.9 x 40 mm

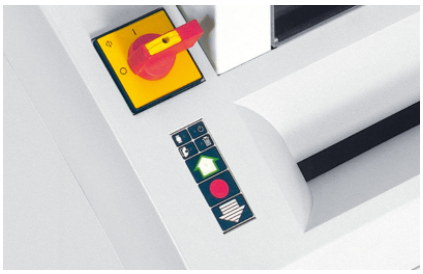
Powerful and durable. This heavy duty document shredder provides for data security in archives or central stations for document shredding.

Technical data

Order number:	1503157	EAN:	4026631043793
Cutting type:	particle cut	Security level (DIN 66399 / ISO/IEC 21964):	E-3|F-1|O-3|P-4|T-4
Cutting capacity in sheets 80g/m²:	65 - 70	Noise level (idle operation):	ca. 56 dB(A)
Intake width:	17.44 "	Container volume / collecting:	76.6 gal
Voltage / Frequency:	208 V / 60 Hz	Width x Depth x Height:	29.61 x 26.3 x 63.07 "
Machine weight:	687.84 lb		

Product Information:

The practical, fold-down storage area on the heavy duty document shredder allows you to store your stacks of paper or continuous paper.

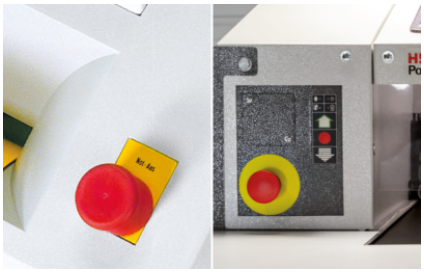


Clear signals showing the operating status of the heavy duty document shredder are vital. The functional operator control panel with an LED indicator provides this information very clearly.

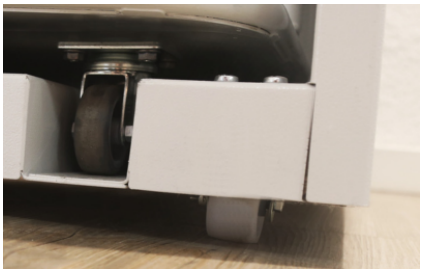
Clear signals showing the operating status of the heavy duty document shredder are vital. The functional operator control panel with an LED indicator provides this information very clearly.

To enable you to shred documents in a continuous operation mode, the shredder has a powerful motor. This gives not only reliable continuous operation, but also a high level of shredding capacity.

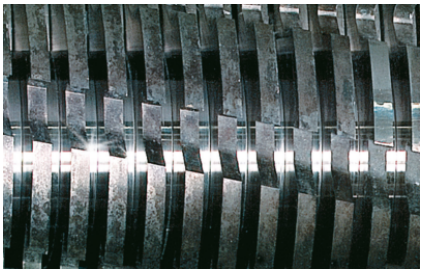
The waste container can be easily removed and emptied.



It may be necessary to stop the machine immediately so we have equipped the device with an emergency off switch which, when activated, will do just this.



We assumed that you just might want to move the device to a different place and so we designed it with castors!



The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability.
