HSM Pure 740 - 5.8 mm

The powerful shredder for the department. The sturdy and powerful cutting roller with a wide input width for paper up to DIN A3 impresses with its high cutting performance and low noise level in continuous operation.

Technical data

Order number:	2371113	EAN:	4026631054393
Cutting type:	strip cut	Cutting size:	1/4"
Security level (DIN 66399 / ISO/IEC 21964):	E-2|O-2|P-2|T-2	Cutting capacity in sheets 80g/m²:	35 - 37
Noise level (idle operation):	ca. 56 dB(A)	Intake width:	15.75 "
Container volume / collecting:	38.3 gal	Collection volume in sheets:	1085
Power consumption:	700 W	Voltage / Frequency:	110-120 V / 60 Hz
Width x Depth x Height:	24.41 x 19.17 x 35 "	Machine weight:	104.06 lb

Product Information:

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

The operation is very easy: the device starts automatically when fed with paper and automatically stops after shredding is complete.

The powerful motor ensures a high cutting capacity and reliable continuous operation.

The integrated stand-by feature reduces energy consumption when the document shredder is not in use.

After opening the door, the removable, collecting bag can be easily removed and emptied.

The document shredder has a sturdy cabinet with a wooden floor and an extra-large door opening angle which facilitates removing and replacing the collecting bag.

For convenience, there are castors on the document shredder so it is easy to move around.

User safety is paramount. A slight pressure on the safety element immediately stops the paper feed and prevents unintentional entry into the machine.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.
