

# HSM®

Great Products, Great People.

## HSM SECURIO Document Shredders

Product Overview

**Super Silent**  
only 45 dB(A) in Silent Mode

## HSM SECURIO P-series Department

Data destruction at the highest level. Innovative IntelligentDrive motor and operating technologies – up to 40 % more performance, intelligent prevention of paper jams and a reduced operating noise level.

- Intelligent paper jam prevention. The machine recognises very quickly if too much paper has been fed in and reacts autonomously.
- Powerful motor for continuous operation.
- High degree of user safety with the pressure sensitive safety element.
- Convenient emptying: after opening the door, the reusable collecting bag can be easily removed and emptied.
- Document shredders with particle cut have an integrated automatic oiler for consistently high cutting performance. Reduction in oil quantity by using manual configuration.
- Mobile on castors.

- 1 Intuitive operation and menu selection via the high resolution touch display.
- 2 IntelligentDrive: Silent, Standard and Performance operating modes for destroying data efficiently and conveniently.
- 3 In operating mode Silent up to 30 % quieter than in Standard mode.
